

UB Day Gets Okay - On the Beach

By PETE KRIEG

We get our day off.

A formal sanction for a UB Day program was given Friday afternoon at a meeting of the Public Occasions committee. The project of the day (the key aspect) will be a treasure hunt on the beach, with the treasure amongst the variety of trash that is to be incidentally collected.

The holiday, set May 8, came within a hair's breadth of being canned when, during the course of the hour-long meeting, agreement on a program satisfactory to everyone, seemed out of reach.

The leaders of the meeting, Student Council president Clint Strong and Chancellor James H. Halsey,

however, both voiced the feeling that "to cancel the holiday would be terribly wrong."

With chances for the student-proposed carnival doomed (the professional carnival had cancelled their contract the day before), the only sound program seemed to be the beach-clean up service to the community.

The clean up idea came from Joseph M. Fennell, director of the Bridgeport Parks Commission, who offered the plan on request from Chancellor Halsey.

The program of the day is to begin with the annual breakfast served in the gymnasium from 8-8:45 a.m. to be followed by a special Campus Thunder production under the direction of Albert Dickason.

A formal presentation of the winners of the Uni-

versity's awards (given at the Awards Convocation yesterday) will be a part of the morning festivities.

The period between noon and 3 p.m. remains open to the whims and wishes of the young in springtime with classes scheduled to begin at 3.

Both Chancellor Halsey and Council prexy Strong expressed the desire to keep the day's activities as simple as possible, due to the short length of time left for preparation.

Strong and his co-chairman of the UB Day Committee, Shelley Bufferd, were originally asked to present a student plan to the committee this year because "in the past couple of years students have had

And Comes the Reply

Last week The Scribe printed some criticisms made by Prof. A. B. Asch of the campus publication "Renaissance." The criticism was made in an article discussing a proposal regulating campus publications now pending in the Faculty Senate.

A Scribe reporter contacted Dr. J. M. van der Kroef, faculty advisor to Renaissance for any reply he might wish to make to the above-mentioned criticism. Dr. van der Kroef's comment, printed herewith in full, was: "So what else is new?"

Gets Honorary Degree

DR. ROBERT W. STRANG

Dr. Robert W. Strang, director of the Fones School of Dental Hygiene, will be presented with an honorary Sc.D. degree at Temple University, Wednesday, May 1.

Dr. Strang taught at Temple from 1950-59 and has also taught at Columbia University for six years and Toronto University for one year. He is presently teaching part time at Boston University.

Dr. Strang received his D.D.S. degree in 1902 and M.D. degree in 1904 from the University of Pennsylvania. He did graduate work at Angel School of Orthodontics and St. Louis in 1906.

WPKN on 'Stand-by' Basis; Campus Station Ready to Go

By BILL AHEARN

STAND BY! . . . That is the standard radio station alert announcing the fact that you are soon to be on the air.

Radio station WPKN now calls out to its audience to . . . STAND BY!

After a little more than a year, all plans have been completed for WPKN to finally hit the air waves.

Broadcasting from the third floor of Old Alumni Hall, the station will be found at 88.1 on FM sets Monday through Friday from seven in the morning to midnight.

The Purple Knight Network will have a broadcast radius of between six and 10 miles.

"Although pick up will be limited to FM sets only, tentative plans call for a converter system to be installed next semester in the dormitories so AM sets will also pick up our programs," Bob

Feldman, Silverman - Easily

Jerry M. Feldman, newly-elected president of Student Council, will be installed at the Student Council banquet May 16.

Along with Feldman, Irv Silverman, who won the vice-presidential spot over Bob Rogoff, will also be sworn into office.

Some 458 students turned out to vote in the presidential and vice-presidential elections last Thursday.

Feldman had already been declared president because there was no other presidential candidate.

Current president Clint Strong cast a white ballot for Feldman which is the custom when a presidential candidate runs unopposed.

In the vice-presidential race, Silverman was conceded the victory by Rogoff when the balloting hit 226 for Silverman and only 93 for Rogoff.

At that point counting stopped for the vice-presidency and a total vote of 458 was taken.

President-elect Feldman issued the following statement:

"I am honored to be formally

elected Student Council president. I hope that I will have the support of the entire student body during the forthcoming year. It is my desire to fulfill my obligations to the students by working towards the highest goals and objectives of this organization. I extend my congratulations to Mr. Silverman on his recent election to the vice-presidency."

Vice-president elect Silverman said:

"I would like to express my sincere thanks to those who sup-

What's It For?

To the Editor:

It seems that with the current trend in architecture, that there is or at least should be a purpose for rooms which are constructed. This leads me to a question.

Exactly what is the purpose of the upstairs lounge in Alumni Hall (formerly known as the Student Center)?

By name it is called a lounge; however, I was informed by a certain member of the administration that it is not for lounging purposes.

After being told this I went on to assume that perhaps it was for study purposes. I was then again informed that it is not a study hall and therefore no pencils or paper are to be allowed.

My thoughts next turned to the fact that maybe it was a place merely to sit and relax, but I was told again that first I must hang up my coat on a coat rack and then place myself in a position so as to not look as if I were studying or lounging. It seems like a lot of trouble just to relax for a minute.

It appears to me that a certain administration member has taken upon his or herself to turn this so-called lounge into his or her own private living room.

This may, of course, be a gross misunderstanding on my part, but if so, maybe someone could tell me the true purpose of the above-mentioned room.

PARKING LOTS CLOSED

Parking areas adjacent to the Student Center, Dana Hall and the Carlson Library will be closed to students from 4-10 p.m. today to accommodate volunteer workers attending the kick-off dinner of the \$1.5 million Greater Bridgeport fund-raising campaign.

Off-Campus Housing Ends

Kevin O'Sullivan, director of Men's Housing, has announced that the University does not anticipate granting off-campus releases during the 1963-64 school year to students who are under 25 years of age.

This move would be in accordance with University policy that "All unmarried students who do not live at home must live in a residence hall."

O'Sullivan has consequently asked all students who will not be living at home with their families to pick up a residence hall contract from the Office of Men's Housing before Friday, May 3.

Guess who offered me an executive position with a leading organization, where I'll get good pay, further my education, and enjoy world travel?

My uncle.

In this case, nepotism's a pretty good idea. But of course you've got to measure up to get it. To be admitted to Air Force Officer Training School, you've got to be a good student with skills or aptitudes we can use.

Air Force OTS is an intensive three-month course leading to a commission as a second lieutenant. As an Air Force officer, you'll be a leader on the Aerospace Team—and be a part of a vital aspect of our defense effort.

Here's a chance for ambitious college men and women to assume great responsibility. It's a fine opportunity to serve your country, while you get a flying head start on the technology of the future.

We welcome your application for OTS now—but this program may not be open to you in a year or so. If you're within 210 days of graduation, get full information about Air Force OTS from your local Air Force recruiter.

WPKN Is Here!

Above the Scribe offices is a milestone in the development of the University, radio station WPKN.

A radio station is a necessary part of a college or university environment. It not only provides its listeners with entertainment but also adds another important communication source.

The one now established has been long overdue. The administration and many individuals have attempted to give the students a station in the past, but up to now there have been too many obstacles in the way for one to be established.

However, the students who built WPKN*refused to let these obstacles or anything else get in the way of stopping a dream from reaching fulfillment.

They worked during the summer, all this year, on week ends, vacations and through many nights to get WPKN off paper and on the air waves.

They took over three dark, cobweb-hung rooms and turned them into a professional-looking studio.

But the word professional does not end there.

It also extends to the staff and the programming that is planned for the station. The staff is indeed professional and the programs they have planned will not only surprise you because of their quality but most of all, they will entertain you.

WPKN is here to stay, thanks to some hard-working individuals who had faith in themselves. Congratulations from one medium to another for a job not well done, but excellently done.

BA

Our Congratulations

It is now time for Jerry Feldman and Irv Silverman to assume the responsibility which faces them, the task of taking over and running an organization which represents some 3,500 students.

Their task will not be easy, but both men have the ability to fulfill their duties in the manner expected of them. And, with student cooperation, we are sure that both will find the time and energy-consuming work both stimulating and satisfying.

To Messrs. Feldman and Silverman, we offer congratulations and good luck with the highly responsible and difficult jobs that you have undertaken.

Accounting Dept. Head Gets 'Teacher' Award

Francis X. DiLeo, chairman of the Accounting Department, has been named "Teacher of the Year."

Prof. DiLeo will be honored by the University at a kickoff dinner for its \$1.25 million fund-raising drive for the Greater Bridgeport area tonight.

DiLeo has been instrumental in setting up four master's degree programs in business administration since 1959.

He presently shares the duties of acting dean of the College of Business Administration with Prof. Charles F. Petitjean.

Prof. DiLeo has been a practicing accountant for the past 18 years and has been on the faculty since 1948.

In 1956 he was named chairman of the Accounting Department and in 1960 was awarded a full professorship.

DiLeo was graduated from the University of Alabama and earned his master's degree in business administration at New York University.

He is past president of the Bridgeport chapter of the Nation-

al Association of Accountants, is a member of NAA's national board of directors and is on its accounting development committee.

He is past president of the University chapter of the American association of University professors.

What to do This Summer

Possibilities for summer jobs and travel placement will be made available from April 30 - May 1, in the downstairs lounge of the Student Center.

Representatives from the office of Student Personnel and the University branch of the Connecticut State Employment Service will be on hand from noon - 3 p.m. to supply information.

Students interested in registering with the Connecticut State Employment Service for summer jobs in the Greater Bridgeport area may do so at this time, Cyrus Hard, University branch representative, said. Hard said that present job opportunities are

quite varied, ranging from positions in the forestry service to summer camp counselorships.

Jean Takacs of the office of Student Personnel, said that information will also be available on various summer travel groups, both in this country and abroad, as well as summer educational opportunities.

HAPPY BIRTHDAY

It will be "Happy Birthday to you, Dr. Dana" at 3 p.m. in the Student Center's cafeteria today, as the Dana Scholars salute Dr. Charles A. Dana on his 83rd birthday. Everyone is invited to attend.

Top Scholars Honored

The ten top scholars in each of the four academic years will be honored at the 15th annual Scholar's Dinner tomorrow at 6:30 p.m. in the Dining Hall.

Dean Clarence D.L. Ropp will be the guest speaker.

There is no individual award given at the dinner and there is no listing of students by rank in class.

"The idea of the dinner is to recognize and toast scholarship as such, not to applaud any one individual," Earl M. Bigsbee, dean of the Junior College and toastmaster of the affair said.

The top scholars in senior class are: Jacqueline Benz, Rosemarie Conte, Doris Fink, Susan Faulkner, Robert Kowalski, Joy Kroin, Samuel LaMonico, Wing-Yee Victoria Leung, Kathryn Kormandy McDuffie, Philip Whitney and Harry Wood. There was a tie for

the tenth place in the senior class.

The ten top juniors are: Timothy Allport, Martha Appar, Barbara DeLuca, Joan Domin, Mae Lee Foster, Barbara Gomez, Ina Hustony, Elaine Kish, Linda Pawlak and Al Quandt.

There was a three way tie for tenth place among the sophomores so 12 were chosen.

They are: Curtenay Austin, Carol Bernstein, Shirley Fady, Eualalia Fagan, Audrey Gazdik, Sharon Korn, Peter Mora, Suzanne Newman, Carol Paradick, Dale Steckler, Kenneth Weise, and Ceil Weisman.

The top freshmen are: Donald Billings, Gail Ann Cleary, Gail Cuury Fiedler, Glee Irene Gammon, Ronald Jordon, Barbara Mae Lippincott, Peter Miletta, Brenda Picker, Barbara Pitoriak and Scribe reporter Virginia Smith.

Bigsbee Keeps Position

Earle M. Bigsbee, dean of the Junior College has been elected to his first full term as vice-president of the Department of Higher Education of the Connecticut Education Association.

He is also vice-president of the New England Junior College council and a member of the commission on curriculum of the American Association of Junior Colleges.

WPKN Gets Ready— A Dream Comes Alive

(Continued From Page 1)

Stern, station manager, said.

The station's programming, which will be set up by Steve Vachss, program director, will range from classical music and "pops" to educational programs and sports.

Guest lecturers, panel discussions, student and faculty interviews, academic contests between fraternities and sororities and news programs covering local and national events will also be aired on WPKN.

Program director Vachss said, "This radio station will do what every other station does except that it is here primarily to serve the students of the University."

News coverage will include headlines every half hour and five minute broadcasts every hour.

Vachss said the station will not air any editorial opinions, but will give equal time to parties that the involved in a controversy directly affecting a majority of students at the University on local, national and international matters.

Sports will receive treatment from WPKN with news of local and national sporting events and some live coverage of University sporting events in the future.

John Larson, chief announcer, will handle the announcing chores with a staff of some 14 students.

Other department heads include: Frank Balmaci, public relations and Al Litster, acting chief engineer.

WPKN's going on the air comes just a little more than a year after the idea of starting a University station began.

At that time, students who were interested in seeing a radio station constructed here met to formulate plans.

Many attempts had been made to put a station on the campus

before, but none had really succeeded.

Robert Farrell, lecturer in English, was chosen adviser to the group.

Farrell is no greenhorn in the radio business, having once been on the University of Connecticut's radio station WHUS, as an announcer.

"I decided to become adviser because I wanted to keep my finger in the pie," Farrell said.

Following the selection of a preliminary staff, the students

sion for a license and approval to construct a studio and buy equipment.

In the middle of January the F.C.C. notified WPKN that it had permission to go ahead with plans to broadcast.

The technical staff of WPKN, under Litster's direction, then installed all equipment by themselves except the antenna.

While the equipment was being installed, the staff was clearing up paper work, rehearsing for programs and working on the

and Farrell proceeded to obtain University backing for their venture.

"When we asked for backing, President Littlefield pledged the University's cooperation. This was very refreshing in view of past attempts to establish a station," Farrell said.

The staff took over the top floor of Old Alumni Hall and started to convert three old dark rooms into something that would at least resemble a radio station.

In October the Bridgeport Board of Zoning Appeals granted the station approval to construct an antenna on the roof of Old Alumni Hall.

The station then applied to the Federal Communications Commis-

endless number of details that are necessary prior to officially going on the air.

Bob Hodgson and members of Bridgeport station WNAB pitched in and gave the WPKN staff help in planning programs, training announcers and aided in almost every other phase of putting a radio station together.

"Right now we're almost all set to go," Stern said. "It's taken us some time and hard work to get where we are now, but we sincerely believe that the station will give the students something that has been missing at the University . . . a sense of identification with something that they can say is theirs."

Stimulant Pills May be Dangerous Warn University Health Officials

By TERRY THOMAS

Excessive use of artificial stimulants, available on the open market and advertised for their qualities of keeping one awake, may cause damage to the nervous system, reports Mrs. Sylvia R. Smith, the University nurse.

"One or two pills probably won't hurt anyone," she says, "but when you take them in excess, you're asking for trouble."

Mrs. Smith cites several examples of students that come to her, suffering from the after-effects of long study hours coupled with too many stay-awake pills.

"They're always in a highly nervous state, and they're weak and run-down from lack of sleep. Now they can't get it."

"It's silly to do this to your body on purpose. It makes your vulnerable for all sorts of other things," she says.

Dr. Robert Nevins, the University physician, also comes out against the pills, except when they are prescribed for specific reasons.

"The main thing about the pills that I am against," the doctor says, "is that they are unnatural. Taking pills to control a natural bodily function like sleep is not a nor-

mally healthy thing to do."

He warned against the possibility of getting in "the habit". That is, taking a stimulant whenever you feel tired or run-down.

"Practically every drug has a lethal dosage, and unless you have a doctor's prescription telling you how much to take, it is always wise to stay away from excessive consumption," he says.

Mrs. Smith notes that there is always an increase in her pill-bound patients around exam time.

"Try coffee this spring," she suggests, "it works great."

Elections

ported the elections last week and for choosing me as their vice-president. However, a president and vice-president alone cannot make a good Student Council. It is up to the student body to support class candidates of their choice. Today and tomorrow voting for class officers is taking place, and it is my hope that the student body will respond fully to support the candidates of their choice."

Feldman and Silverman will again be sworn in at the Student Council meeting on May 17. At that time Feldman will also swear in his council.

Does a man really take unfair advantage of women when he uses Mennen Skin Bracer?

All depends on why he uses it.

Most men simply think Menthol-Iced Skin Bracer is the best after-shave lotion around. Because it cools rather than burns. Because it helps heal shaving nicks and scrapes. Because it helps prevent blemishes.

So who can blame them if Bracer's crisp, long-lasting aroma just happens to affect women so remarkably?

Of course, some men may use Mennen Skin Bracer because of this effect.

Parents of University students and the residents of the Bridgeport area have been invited to tour the campus and visit the various events and exhibitions which will be presented.

Among the events featured will be dramatic productions, a fashion show, a gymnastic display, a concert, and various exhibition sports contests.

All buildings, including the dormitories, will be open for inspection.

Refreshments will be served from 1-5 p.m. under the Big Umbrella of the Lucille Lortel Pavilion in back of the Alumni Hall Cafeteria.

JC Adds 3 Programs

High School science students who can invest only two years in college before taking on full-time employment will be offered three new programs in September by the Junior College.

Two-year technology programs in biological science, mathematics, and physical science will offer the same freshman and sophomore courses that four-year students take, but emphasis will be placed on the science courses.

The programs offering an Associate in Science degree, will allow students to enter biology laboratories as research assistants continue in mathematics as programmers of digital computers, or assume the responsibility of writing technical manuals.

Jones Again Heads Board Of Associates

Dr. Elwood K. Jones was re-elected president of the University's Board of Associates at the organization's annual meeting last Saturday in the Student Center.

Also re-elected to office were Bernard H. Trager, vice president and Mrs. Clark I. Scott, secretary.

George S. Oddy was elected to the post of treasurer, succeeding Frank J. Clark who had served in that capacity for the last two years.

Elected to the Board's executive committee for three year terms were Pierce M. Welpton and Dr. Richard E. Evans with Joseph Y. Smith to serve for one year.

Thirteen members of the Board of Associates whose terms expired this year were re-elected to three-year terms expiring in 1966.

Re-elected were Arthur Clifford, Donald W. Fowler, William W. Hatfield, G. Wesley Hubbell, Harry G. Koehler, William L. Lashar, Peter M. Lubin, Miss Augusta Mendel, Dr. Alden G. Newman, Mrs. H. Wheeler Parrott, Frank Piazza, Maurice W. Reid, and Dr. Roman R. Violyn.

WORK IN EUROPE

MORE TRAVEL GRANTS

Apr. 19, 1963 — The American Student Information Service, the only authorized placement service for American students seeking summer jobs in Europe, has increased from 1500 to 200 the number of travel grants it will award students applying for positions in Europe.

Job openings now available in Europe include positions at factories, resorts, hospitals, farms, summer camps and in offices. Applications are received until May 31.

Interested students may write (naming your school) to Dept. H. ASIS, 22 Ave. de la Liberté, Luxembourg City, Grand Duchy of Luxembourg, for a 20-page prospectus, a complete job selection and application. Send \$1 for the prospectus, handling and an airmail reply.

The first 5,000 inquiries receive a \$1 premium for the new student travel book, Earn, Learn and Travel in Europe.

the feeling the administration was forcing programs on them."

Due to an apparent mixup in the assignment, the Strong-Bufferd proposal "of a carnival with all the trimmings" lacked a specific "purpose or project," that the administration and faculty had stipulated must accompany any proposal.

"We felt they did a very fine and thorough job of drawing up plans for the day," Dr. Halsey explained, "but they did not keep with tradition in attaching a service to the school or the community to it."

So that the stigma of the near-fatal delays of approval would not hamper UB Day 1964, the committee also established a group to lay plans for next year's holiday.

Council president-elect Jerry Feldman was named chairman, with the assignment of appointing three additional members of next year's Student Council to the exploratory board.

The award winners to be presented include the recipients of the President's and Chancellor's medallions, athletic awards and the Literary Society award.

Formal introduction of the 1963-64 Student Council will also be made.

Prof. Joseph Crescimbeni announced recently that placement credentials for all students registered with the Educational Placement Office of the College of Education will only be sent on request of the prospective employer. He also said that no credentials will be mailed out at student request.

The Bursar's Office has announced that in order to avoid debarment from classes today is the deadline for all students who are paying their bills under the Deferred Payment Plan. Final debarment lists will be mailed to instructors April 30, and on May 1 students whose names appear on the final list will be debarred from all classes until they are cleared by the office.

All organizations who want to have their activities listed on the Alumni Hall Student Board of Directors Calendar for the fall semester must fill out a calendar form on or before May 3. Filled-out forms can be left at the reception desk in the Student Center or at the Board of Directors Office. Only open affairs will be listed on the Calendar.

"Hypnosis," a talk by Dr. Abraham Knepler, professor of education, will be presented in the private dining room of the Student Center Tuesday, April 30, at 7:30 p.m. Convocation credit will be given for this AHSBD-sponsored event, and refreshments will be served.

Prof. Sybil Wilson of the Art Department has had one of her paintings selected by Campbell Wylie of the Lending Service of the Museum of Modern Art in New York. Mets Have Nothing on Purple Knights

Spikers Sneak by SC, 72-67

The Purple Knights track team opened up the season in winning fashion Saturday by downing the Owls of Southern Connecticut 72-67 at Bowen Field in New Haven.

The Owls swept ten running events but, the Knights in turn took six out of seven of the field events and placed second in almost every event. The Knights main trouble in the running events seemed to be inexperience, as it was Southern's third meet of the year and all of their runners seemed to have the early season kinks out of their system.

Running Events:

100—1. Roberts (SC) 2. Diobil (S.C.) 3. Hughes (U.B.) time—10.4 seconds.

220—1. Roberts (S.C.) 2. Clarke (U.B.) 3. Hughes (U.B.) time—23.4 seconds.

440—1. Porter (S.C.) 2. Raskin (U.B.) 3. Knickbocker (U.B.) time—57 seconds.

880—1. Kinsella (S.C.) 2. Sabatino (U.B.) 3. Bushhorn (U.B.) time—2:03.

1 Mile—1. Kinsella (S.C.) 2. Elter (U.B.) 3. Woods (S.C.) time—5:02.

Two Mile Run—1. Kinsella (S.C.) 2. Sabatino (U.B.) 3. Elter (U.B.) time—11:29.

120 high hurdles—1. Barter (S.C.) 2. Diobil (S.C.) 3. Sheehan (U.B.) time—17 seconds.

330 hurdles—1. Barter (S.C.) 2. Diobil (S.C.) 3. Allen (U.B.) time—45 seconds.

Mile Relay—won by Southern Conn. (Roberts, Kinsella, Porter, and Barber). Time 4:04.

Regain Winning Ways; McLaughlin, Diatelevi Star

By DICK PARLATO

Whatever doubts there might have been about the Purple Knight pitching staff were wiped out last week with a pair of sterling performances by Mike McLaughlin and transfer Pete Diatelevi.

Diatelevi gained his second straight win last Wednesday, as he tossed a brilliant one-hitter at Danbury State, good enough for a 5-1 victory.

McLaughlin followed up Saturday afternoon with his own little gem, allowing but three safeties as the Knights dropped Central Connecticut 2-1.

Danbury's only hit was a ninth-inning Texas-league single that fell just beyond the reach of third baseman Jerry McGee. Still, Diatelevi had control problems, as he yielded 10 bases on balls as against a dozen strikeouts.

Both Diatelevi and Danbury's John Bellino had no-hitters going until the fifth inning when UB's Ed Rowe lined a single to center. Poor support by his fielders didn't help Bellino's cause any either, as they committed seven errors.

The Knight's initial run was the result of a misplay with first-baseman Ron Bonollo's long drive getting by centerfielder Tom McIlroy. Bonollo scored on a fielder's choice.

In the ninth inning Dick Conetta singled and again the ball got by the Blue Devil centerfielder, with Conetta winding up on third.

John Carson hit a long double to bring him home.

The Purple Knights tallied two more times in the sixth when Steve Pjura's single chased home Carson and a wild throw scored Pjura.

Danbury gave Bridgeport a scare in the bottom of the ninth as Rip Zukowski singled, then Diatelevi gave up three straight walks to score one run. The Knight hurler settled down, however, to retire the side and earn the victory.

Against Central Connecticut Saturday, McLaughlin, last season's leading hitter, led off the seventh inning with a single down the third base line. He reached second on a sacrifice by Dick Sanborn and moved to third on a base hit by McGee.

McGee got into scoring position as he stole second and outfielder Vin Lombardo hit a long fly to score McLaughlin, tying the score. Rowe's second hit of the game scored the winning run, as he drove McGee in from second.

The Blue Devils scored their only run in the first frame on a triple by Central's Gene Barella, driving in a run from first base.

After the second inning, Central Connecticut couldn't touch McLaughlin, as he went on to pitch seven perfect innings.

Clark Falls to Wayside

The Purple Knights varsity baseball team won their seventh game in eight outings by trouncing Clark University 15-5 in Worcester, Mass. Monday afternoon.

Throughout the game both teams were hampered by 50 mph winds which resulted in numerous errors. The Knights had nine misplays while Clark made seven.

Ed Rowe led the UB attack with four hits to raise his batting average to a nifty .457.

In the field, Rowe continued to play flawlessly. He has yet to make an error this year. Jerry Amorosana had three hits and Ron Bonollo gathered two to lead the PK attack.

Pete Diatelevi and Curt Madson split the pitching chores as they combined to allow five hits and no earned runs.

On Saturday the Knights entertain Quinnipiac College with game time slated for 2 p.m.

Frosh Drought Over!

The Freshman baseball nine won their first game in two years as they edged the Hartford University yearlings 3-2 on the strong pitching of Jie Chiaro. Chiaro pitched a five hitter and was in command throughout the game. Hank Bahe and Chiaro each contributed two hits.
